DATE 1251.PC 2105

The Declarants have divided or will divide the Property into sixty-seven (67) lots upon which the Declarants will construct duplex townhouse type, single-family living units, said lots being substantially in accordance with the map or plat of the Property attached hereto as Exhibit "B" and made a part hereof. The Declarants further intend to impose upon the Property restrictive covenants under a general plan for the benefit of all parcels within the Property and the owners thereof. These covenants and restrictions are hereby imposed on all lands described on the attached Exhibit "A".

2. Name. The name by which the property shall be known and identified is "BRECKENRIDGE ON PARK." The Property may be developed in two stages or phases, and the land described on Exhibit "A" attached hereto will constitute Phase I of BRECKENRIDGE ON PARK.

3. Submission of Property to Restrictive Covenants. Declarants do hereby impress and impose upon the Property the restrictive covenants, obligations, covenants, and conditions set forth and provided for herein which shall run with the land. This Declaration shall be binding upon Declarants, their successors, assigns and grantees. All reservations, easements, and cross-easements set forth herein shall, when any deed hereafter executed shall refer to and incorporate these Restrictive Covenants, be deemed to have been granted, excepted, or reserved, as the case may be, and shall be binding upon any grantor and

grantee, or their assigns and successors in interest as if set forth therein in full. The Declarants reserve the unilateral right to subsequently cause the covenants and provisions of this Declaration to be imposed upon any other Phase of the subdivision, such imposition to be effectuated by an instrument in writing signed only by the Declarants.

4. Definitions. The terms used herein and in the By-Laws of the Homeowners' Association shall have meanings as follows:

(a) With regard to common walls (if any) the centerline of said walls shall be the boundary between the two houses separated by the wall.

(b) Each house shall include a parcel of real property as described in the deed by which said land and house is conveyed by Declarants to third party purchasers.

(c) Bearing walls, columns, and wiring and other utility installations serving more than one house (if any) shall be commonly owned by the houses being served thereby.

6. Subdivision. Each of the lots shown on the map or plat attached as Exhibit "B" is restricted to the construction thereupon of a duplex townhome or one single family townhome. (a) Commencing June 1, 1987, annual assessments or charges as herein set forth and as established by the Association; and

(b) Special assessments for capital or other improvements or acquisitions, which assessments are to be established and collected as hereinafter provided.

The annual and special assessments, together with interest, costs, and reasonable attorneys' fees required to collect the same, if any, shall be a lien against the lot or lots owned by the party failing to pay the same; provided however, that any

such lien shall be subordinate and inferior to any first mortgage on such lot or lots. Assessments shall be made pursuant to the By-Laws of the Association. No homeowner may exempt himself from liability for his contribution towards the common expenses by waiver of the use or enjoyment of any of the common areas or easement areas or by the abandonment of his lot.

9. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote and maintain the recreation, health, safety, and welfare of the members of the Association, and in particular, for the improvement and maintenance in a first class condition and in a good state or repair of the common areas, roadways, roadway lighting, and easement areas of the property, and such other areas which are maintained by the Association, whether owned by the Association or by the homeowner.

11. Maximum Annual Assessments. Until January 1, 1988, the maximum annual assessment per homeowner shall be \$60.00 per year per home. From and after January 1, 1988, the maximum annual assessment may be increased each year by not more than ten percent (10%) above the maximum assessment for the previous year by the Association's Board of Directors without a vote of the membership. From and after January 1, 1988, the maximum annual assessment may be increased by more than ten percent (10%) only by the vote or written assessment of at least sixty percent (60%) of the votes entitled to be cast. The annual assessments shall commence under this Declaration on the first day of June, 1987.

12. Special Assessments. In addition to the annual assessments authorized above, the Association may levy in any assessment year a special assessment applicable to that year only for the purpose of defraying in whole or in part the cost of any construction, reconstruction, repair or replacement of the improvements

or easements, or any other area or improvement which is the responsibility of the Association, including improvements, fixtures, and real or personal property related thereto, or for the exercise of the powers granted in Paragraph 18 hereof; provided, however, that any such assessment shall be made in accordance with the By-Laws of the Association.

13. Collection of Assessments. Assessments shall be due on the first day of each month, and are delinquent if not paid by the 10th day of each month. The annual assessment may be prepaid in whole or in part. No set-offs shall be allowed to any homeowner for repairs or improvements, or services contracted for by any homeowner without the express written authorization of the Board of Directors of the Association. The Association shall be entitled to collect from the homeowner all legal costs including a reasonable attorney's fee incurred by the Association in connection with or incident to the collection of such assessment and/or late charges or fees or in connection with the enforcement of the lien resulting therefrom.

14. Service Charge of Delinquent Assessments. In order to defray the cost of additional bookkeeping, billing, and related expenses, all assessments not paid within ten (10) days after the due date may upon decision of the Board of Directors of the Association bear a service charge of \$5.00 per month from the due date.

15. Effective Transfer of Title on Assessment. The sale or transfer of any house shall not affect the assessment lien; provided, however, the sale or transfer of any house pursuant to mortgage foreclosure or any proceedings in lieu thereof shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such house from liability for any assessment thereafter becoming due or from the lien thereof. In any voluntary conveyance, grantee shall be jointly and severally liable with the grantor for all unpaid assessments against the grantor up to the time of such voluntary conveyance without prejudice to the

rights of the grantee to recover from the grantor the amounts paid by the grantee therefor. however, any such grantee shall be entitled to a statement from the Association setting forth the amount of the unpaid assessments against the grantor in excess of the amount of the statement; provided further, however, the grantee shall be liable for all assessments becoming due after the date of such statement.

16. Bidding at Foreclosure Sale. The Association shall have the power to bid on any house at foreclosure sale thereof and to acquire and hold, lease, mortgage, and convey the same.

17. Architectural Control Committee. The Board of Directors of the Association shall appoint an Architectural Control Committee consisting of not less than two nor more than five persons. With the exception of the initial members, members of the Committee must be homeowners in BRECKENRIDGE ON PARK. The initial members will serve until January 1, 1990, unless they sooner resign. Thereafter, all members shall serve at the pleasure of the Board of Directors of the Association. The initial members of the Committee are Terry C. Nelson and William A. Grow, Jr., both residents of Tallahassee, Florida. All notices or submission requests to be given to the Committee shall be in writing delivered by mail to the principal registered office of the Association as from time to time set forth in the records of the office of the Secretary of State of Florida, Corporate Division. No homeowner shall erect or maintain any building, fence, wall, or other structure nor shall any homeowner commence or make any exterior addition to or change or alteration in the shape, color, or appearance of the exterior of existing improvements or make any material alteration, addition, or deletion to the landscaping of any lot until and unless the plans and specifications showing the nature, kind, shape, height, materials, color, location, and all other details of the same shall have been submitted to and approved in writing by the Architectural Control Committee as to the quality of materials, harmony and external design, and color, and the location in relation to surrounding structures and

topography. The effect of the changes, improvements, or alterations on the topography of the land and the environmental impact thereof may also be considered by the Committee in determining whether approval may be given. Such approval may be withheld for any reason, but if no written notice of approval or disapproval is given by the Committee within thirty (30) days after it has received full plans and specifications, approval will not be required and this provision will be deemed to have been complied with. In the event written approval is given, no work shall be commenced until such time as the homeowner or his contractor has obtained all permits required by law. Notwithstanding the foregoing provisions related to the appointment of the Architectural Control Committee and the members constituting the same, the Declarants shall have the right to appoint all successor members until January 1, 1990.

18. Additional Duties and Powers of Association. In addition to the duties and powers of the Association, as hereinabove set forth, and in addition to any powers and duties set forth in the Articles of Incorporation and By-Laws of the Association, the Association shall:

(a) Maintain and otherwise manage all the roadways, common areas, and all facilities, improvements, and landscaping thereof, together with all property or facilities or amenities that are owned or built by the Association.

(b) Grant easements where necessary for utilities, cable television, and sewer and drainage facilities over the common areas or easement or cross-easement areas.

(c) Obtain and maintain such policy or policies of insurance as the Association may deem necessary or desirable in protecting the interest of the Association and its members.

(d) Have the authority to employ a manager or other persons and to contract with independent contractors or managing agents to perform all or any part of the duties and responsibilities of the Association.

19. Exterior Maintenance of Houses and Other Areas. The

Association shall maintain the landscaping, including the trees, shrubs, and grass, within the boundaries of the property owned by the Association. The Association may, by rule duly adopted, reasonably regulate the use of all areas and lands which are to be maintained by the Association; provided, however, that any such rule of the Association may not be less restrictive than any covenant set forth herein. Any item or area not expressly the responsibility of the Association shall be the responsibility of each homeowner; provided, however, that if a homeowner shall fail to maintain or make the repairs or replacements which are the responsibility of such homeowner, then upon vote of a majority of the Association and after not less than thirty (30) days' notice to the owner, the Association shall have the right (but not the obligation) to provide such maintenance or make such repairs or replacements and the cost thereof shall be added to the assessments chargeable to such homeowner and shall be payable to the Association by such homeowner under such terms as the Board of Directors of the Association determines. For the purpose solely of performing the work authorized by this paragraph, the Association's agent or employee shall have the right after reasonable notice to the homeowner to go upon any such lot.

20. Easements. The following easements are hereby granted and imposed in favor of all of the owners of lots within BRECKENRIDGE ON PARK (unless the applicability thereof is specifically otherwise limited herein) and shall be deemed to be covenants running with the land:

(a) Areas and Easements reflected on Exhibit "B" attached hereto, as areas or easements for roadways or streets, utilities, sanitary sewer, drainage and holding ponds.

(b) If any house or appendage thereto shall encroach upon any easement area or other lot by reason of original construction thereof by the Declarants, then an easement appurtenant to such encroaching house or appendage, to the extent of such encroachment, shall exist so long as such encroachment shall exist.

(c) If any utilities equipment, roadway, driveway or paved parking pad or area constructed by the Declarants shall encroach upon any easement area or any lot within BRECKENRIDGE ON PARK, then an easement appurtenant to such encroachment, to the extent of such encroachment, shall exist so long as such encroachment shall exist.

(d) Whenever sanitary sewer, water, electricity, cable television, telephone lines, or connections are installed within the property, which connections or lines or any portions thereof lie in or upon homes or lots owned by other than the owner of a house served by said lines or connections, the owner of any house served by said connections shall have the right and is hereby granted an easement to the full extent necessary therefor to enter upon such lot or to have the utility companies enter upon the lots upon which said connection or lines or any portions thereof lie or are located, to repair, replace, and generally maintain said connections as and when the same may be necessary. Whenever sanitary sewer, water, electricity, cable television, or telephone lines or connections are installed within the property, which connection or lines serve more than one house, the owner of each such house served by said connection and lines shall be entitled to the full use and enjoyment of such portions of said connections and lines as services his house, and such owners shall be jointly and equally responsible for the maintenance or repair of any jointly used connections aforementioned.

21. Land Use and Building Type. No house shall be occupied or used except for residential purposes by the homeowners, their tenants, or social guests, except that Declarants may use houses owned by them for model homesites and for display and sales offices.

22. Party Walls.

A. General Rules of Law to Apply. Each wall which is built as a part of the original construction of the homes upon the Property and placed on the dividing line between the lots shall constitute a party wall, and to the extent not inconsistent with

the provisions of this section, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

B. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the owners who made use of the wall in proportion to such use.

C. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any owner who has used the wall may restore it, and if the other owners thereafter made use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

D. Weatherproofing. Notwithstanding any other provision of this Article, any owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the cost of furnishing the necessary protection against the elements.

E. Right to Contribution Runs With Land. The right of any owner to contribution from any other owner under this Article shall be appurtenant to the land and shall pass to such owner's successors in title.

F. Resolution of Disputes. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, the matter shall be referred to the Board of Directors of the Association and the decision of a majority vote by that board shall be determinative of the matter and binding upon the parties.

23. Nuisances. No noxious or offensive activities shall be carried on, in, upon, or around any house or in or upon any common areas, nor shall anything be done thereon which may be or may become an annoyance or a nuisance to the remaining homeowners or any of them which shall in any way interfere with the quiet enjoyment of each of the homeowners of his respective house or

which shall in any way increase the rate of insurance for the property.

24. Temporary Structures. No structure of a temporary character, trailer, basement, tent, shack, garage, barn, or other building shall be used on any property at any time as a residence either temporarily or permanently; provided, however, Declarants may maintain offices or storage facilities during construction. The Association may maintain a storage and maintenance building in such areas as may be agreed upon.

25. Signs. No sign or billboard of any kind shall be displayed to the public view on any house or any portion of the easement areas except one sign of customary and reasonable dimension advertising the house for sale or rent, or except signs used by Declarants to advertise the property or houses during the construction and sale.

26. Garbage Disposal. All rubbish, trash, and garbage shall be regularly removed from the property and shall not be allowed to accumulate thereon. All trash, garbage, and other waste shall be kept in sanitary containers. All equipment for the storage or disposal of such materials shall be maintained in a clean and sanitary condition, and shall be kept out of the sight of neighbors and other residents in the subdivision.

27. Radio and Television Antennas. No homeowner may construct or use or operate an external radio or television antenna without the prior written consent of the Architectural Control Committee.

28. Right to Lease. The homeowners shall have the absolute right to lease or rent their houses provided that the lease is made subject to the covenants, conditions, restrictions, limitations, and uses contained in this Declaration and those contained in the Articles of Incorporation, the By-Laws, and any rules and regulations of the Association.

29. Lawful Use. No immoral, improper, offensive, or unlawful use shall be made of the property or any part of it.

30. Regulations. Reasonable regulations concerning the use of the property (including common areas and easement areas and

all other areas which the Association owns or maintains) may be made and amended from time to time by the Association. Copies of such regulations and amendments shall be furnished by the Association to all homeowners and residents of the houses upon request.

31. Pets. Household pets such as dogs or cats are permitted but no dog or cat shall be permitted to run free, and it must be leashed or under the direct control of its owner when it is anywhere on the property other than upon the owner's lot.

32. Boats, Trailers, and Recreation Vehicles. No boats, or boat trailers, may be parked or stored within the boundaries of the Property.

33. Miscellaneous.

(a) No laundry, mattresses, bedding materials, or clothing shall be hung on or over railings or patio fences of any home. Clotheslines are prohibited except inside a fenced-in patio and not substantially visible to neighbors.

(b) No window air-conditioning units shall be permitted which would be exposed to the exterior of any building.

34. Limitation of Liability of Association. Notwithstanding the duties of the Association, specifically including, but not limited to, its duty to maintain and repair portions of the property, the Association shall not be liable to homeowners, their invitees, or guests for injury or damage caused by any latent effect or condition of the property owned, or to be maintained and repaired, by the Association or caused by acts of God or by third parties.

35. Estimates of Cost of Repairs and Reconstruction. Within a reasonable time after casualty or loss to property for which the Association has the responsibility of maintenance and repair, the Association shall obtain reasonably accurate estimates of the cost of repairing or replacing said damaged property. The Association shall diligently repair or replace the same unless a majority of the homeowners vote to the contrary.

36. Enforcement of Obligations. Each homeowner shall be governed by and shall comply with the terms of this Declaration,

the Articles of Incorporation of the Association, the By-Laws of the Association, and any Regulations adopted by the Association. Upon failure of a homeowner to so comply, the Declarants, the Association, any Mortgagees having a first lien on a house, and other homeowners shall have the right to institute legal proceedings, the prevailing party shall be entitled to recover its or his legal costs including a reasonable attorney's fee. The failure of any of the foregoing named entities or persons to enforce any right, requirement, restriction, covenant, or other provisions of the hereinabove documents shall not be deemed to be a waiver of the right to seek judicial redress against subsequent noncompliance therewith.

37. Insurance and Homeowner's Obligation to Rebuild.

(a) Each homeowner shall maintain fire and extended coverage insurance on his house and improvements in an amount equal to the maximum insurance replacement value. The Association may require the homeowner to provide written evidence of such coverage annually. In the event of loss, subject to the consent and approval of any mortgagees named as a loss payee, all insurance proceeds shall be used to promptly repair or replace the damaged property unless the Board of Directors or the Association shall otherwise agree.

(b) If all or any portion of a residence is damaged or destroyed by fire or other casualty, it shall be the duty of the owner thereof, with all due diligence, to rebuild, repair, or reconstruct such residence in a manner which will substantially restore it to its appearance and condition immediately prior to the casualty. Reconstruction shall be undertaken within thirty (30) days after the damage occurs, and shall be completed within one hundred eighty (180) days after the damage occurs, unless prevented by causes beyond the control of the owner or owners.

38. Amendments to Declaration. Except as may be otherwise specifically provided herein, this Declaration may be amended or terminated only by the unanimous written consent, in a recordable form, signed by all homeowners and all mortgagees of record.

39. Development by Declarants. No provisions contained herein shall prevent Declarants, their contractors or subcontractors, from performing such work and activities as are reasonably necessary or advisable in connection with the construction of any houses or other improvements upon the property, nor shall said provisions in any way prevent the Declarants from maintaining such signs on the property as they think to be helpful for the sale, lease, or other disposition of houses.

40. Election of Board of Directors. In addition to all other rights and privileges granted to the Declarants under this Declaration, and notwithstanding any provisions of the Articles of Incorporation and By-Laws to the contrary, the Declarants shall, subject to the following limitations, be entitled to appoint all of the members of the Board of Directors of the Association. This right shall continue until the sooner occurrence of: (1) January 1, 1990; or (2) the date on which the Declarants have sold the last of the houses in BRECKENRIDGE ON PARK.

41. Variances. Variances for minor deviations from this Declaration may be granted by Declarants or the Architectural Control Committee at any time to Declarants or any property owner owing a lot within the Property.

42. Titles. The titles of each of the paragraphs or subdivisions thereof contained herein are for convenience only and shall be deemed to have no legal effect.

43. Severability. The invalidity in whole or in part of any covenant, condition, restriction, agreement, provision, section, subsection, sentence, clause, phrase, or word contained in this Declaration or in the Articles of Incorporation, By-Laws, and Regulations of the Association shall not affect the validity of the remaining portions.

44. Duration. Unless sooner terminated by the unanimous vote of all homeowners and all first mortgagees of record, these covenants and restrictions shall be binding until December 31, 2017, after which date they shall be automatically extended for successive periods of five (5) years each unless an instrument

signed by at least a majority of the then homeowners has been recorded agreeing to terminate said covenants and restrictions.

IN WITNESS WHEREOF, the Declarants have caused this Declaration to be executed the day and year first above written.
