ARTICLE VIII
ELECTION OF DIRECTORS; NOMINATING COMMITTEE:
ELECTION COMMITTEE

Section 1. Election to the Board of Directors shall be by written ballot as hereinafter provided. At such election, the members or their proxies may cast, in respect of each vacancy, as many votes as they are entitled to exercise under the provisions of the recorded covenants applicable to The Properties. The names receiving the largest number of votes shall be elected.

Section 2. Nominations for election to the Board of Directors shall be made by a Nominating Committee which shall be one of the standing committees of the Association.

Section 3. The Board of Directors shall appoint a standing committee entitled the Nominations Committee to consist of nine (9) association members in good standing. The Nominations Committee shall be constituted as follows: (a) a chairman to be chosen from the Board of Directors; (b) four (4) members, if possible, who have previously served on the Board of Directors; and (c) at least four (4) members who have never served on the Board of Directors.

This effort shall include the opportunity for individual Association members to volunteer for nomination to the Board of Directors. The Chairman of the Nominations Committee shall submit to the Secretary the names of all candidates to be considered for nomination prior to consideration by the Nominations Committee. Only those candidates certified by the Secretary as "Association members in good standing" shall be eligible to be nominees for membership on the Board of Directors. The Nominations Committee shall finalize the slate of nominees so that the number of nominees shall be no fewer than 150 percent and no more than 200 percent of the directorships to be filled. All elections to the Board of Directors shall be made on written ballot which shall: (a) describe the vacancies to be filled; (b) set forth the names of those nominated by the Nominations Committee for such vacancies; and (c) contain a space for a write-in vote by the members for each vacancy, and (d) note that the ballot shall be void if the member's assessment is delinquent. Notwithstanding that a member may be entitled to several votes, he shall exercise on any one ballot only one vote for each vacancy shown thereon. The completed ballots shall be returned as follows: Each ballot shall be placed in a sealed envelope marked "Ballot" but not marked in any other way. Each such "Ballot" envelope shall contain only one ballot.

and the members shall be advised that, because of the verification procedures of Section 7, the inclusion of more than one ballot in any one "Ballot" envelope shall disqualify the return. Such "Ballot" envelope, or envelopes (if the member or his proxy is exercising more than one vote), shall be placed in another sealed envelope which shall bear on its face the name and signature of the member or his proxy, the number of ballots being returned, and such other information as the Board of Directors may determine will serve to establish his right to cast the vote or votes presented in the ballot or ballots contained therein. On that day, the external envelopes containing the "Ballot" envelopes shall be turned over, unopened, to an Elections Committee which shall consist of five members appointed by the Board of Directors. The Elections Committee shall then adopt a procedure which shall establish:

(a) that the number of envelopes marked "Ballot" corresponds to the number of votes allowed to the member or his proxy identified on the outside envelope containing them; and

(b) that the signature of the member or his proxy on the outside envelope is genuine; and

(c) that if the vote is by proxy that a proxy has been filed with the Secretary as provided in Article XIV and that such proxy is valid.

Such procedure shall be taken in such manner that the vote of any member or his proxy shall not be disclosed to anyone, even the Elections Committee.

The outside envelope shall thereupon be placed in a safe or other locked place and the Elections Committee shall proceed to the opening of the "Ballot" envelopes and the counting of the votes. If any "Ballot" envelope is found to contain more than one ballot, all such ballots shall be disqualified and shall not be counted. Immediately after the announcement of the results, unless a review of the procedure is demanded by the members present, the ballots and the outside envelopes shall be destroyed.

Section 8. The Board of Directors shall consist of nine (9) directors. A director's term of office shall commence on January 1 following his election, and shall extend for three (3) years or until his successor is elected. The five nominees receiving the greatest number of votes shall serve a term of two years; the remaining four directors shall serve a term of one year. Those persons elected to the Board of Directors in elections held after 2006 shall serve a term of three (3) years. The Board of Directors is responsible for overseeing all aspects of elections and for insuring that they are conducted in accordance with the appropriate provisions of the Articles of Incorporation and Bylaws.

The Board of Directors shall receive the report of the Elections Committee and shall certify and announce the results of the election only after satisfying itself that all election

procedures were properly followed. A recount of the votes may be ordered by the Board of Directors and/or at the request of thirty-five (35) or more members in good standing who are personally in attendance at the meeting of the membership when the election results are announced. Should the recount be ordered in the latter manner, the recount shall be performed immediately by the Elections Committee in the presence of all those members who wish to observe.
