ARTICLE IV

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby

012311960

covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association; (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and for the improvement and maintenance of the Common Area.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be fifty dollars (\$50.00) per Lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year not more than 5% above the maximum assessment for the previous year without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment

DA1231 PG 1961

may be increased above 5% by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

DR1231 PC 1962

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of 12 percent per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first

OR1231PG1963

mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE V
ARCHITECTURAL CONTROL

Section 1. Architectural Control Committee. No building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

Section 2. Nuisances. No noxious or offensive activities shall be carried on, in, upon or around any house or in or upon any common areas, nor shall anything be done thereon which may be or may become an annoyance or a nuisance to the remaining homeowners or any of them which shall in any way

Section 4. Signs. No sign or billboard of any kind shall be displayed to the public view on any house or any portion of the easement areas except one sign of customary and reasonable dimension advertising the house for sale or rent, or except signs used by Declarant, its business successors or assigns to advertise the property or houses during the construction and sale.

Section 5. Garbage Disposal. All rubbish, trash and garbage shall be regularly removed from the property and shall not be allowed to accumulate thereon. All trash, garbage and other waste shall be kept in sanitary containers. All equipment for the storage or disposal of such materials shall be maintained in a clean and sanitary condition, and shall be kept out of the sight of neighbors and other residents in Park Brook Crossing, Phase VII.

Section 6. Radio and Television Antennas. No homeowner may construct or use and operate an external radio or television antenna or satellite dish or similar device without the prior written consent of the Architectural Control Committee.

DR1231PC1965

covenants, conditions, restrictions, limitations and uses contained in this Declaration and those contained in the Articles of Incorporation, the By-Laws and any rules and regulations of the Association.

Section 8. Lawful Use. No immoral, improper, offensive or unlawful use shall be made of the property or any part of it.

Section 9. Regulations. Reasonable regulations concerning the use of the property (including common areas and easement areas and all other areas which the Association owns or maintains) may be made and amended from time to time by the Association. Copies of such regulations and amendments shall be furnished by the Association to all homeowners and residents of the houses upon request.

Section 10. Pets. Household pets such as dogs or cats are permitted but no dog or cat shall be permitted to run free, and it must be leashed or under the direct control of its owner when it is anywhere on the property other than upon the owner's lot.

Section 11. Vehicles, Boats, Trailers, Recreation Vehicles, Etc. No boats, trailers, campers or recreation vehicles may be parked or stored upon the property.

Section 12. Miscellaneous.

(a) No laundry, mattresses, bedding materials, etc., or clothing shall be hung on or over patio fences of any home. Clotheslines are prohibited except inside a fenced-in patio and not visible to neighbors.

(b) No window air-conditioning units shall be permitted which would be exposed to the exterior of any building.

ARTICLE VI

GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no wise affect any other provisions which shall remain in full force and effect.

Section 3. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. Any amendment must be recorded.

Section 4. FHA/VA Approval. As long as there is a Class B membership, the following actions will require the prior approval of the Federal Housing Administration or the Veterans Administration: Annexation of additional properties, dedication of Common Area, and amendment of this Declaration of Covenants, Conditions and Restrictions.

Section 5. Limitation of Liability of Association. Notwithstanding the duties of the Association, specifically including, but not limited to, its duty to maintain and repair portions of the property, the Association shall not be liable to homeowners, their invitees or guests for injury or damage caused by any latent effect or condition of the property owned, or to be maintained and repaired by the Association or caused by acts of God or by third parties.

Section 6. Development by Declarant No provisions contained herein shall prevent Declarant, its contractors or subcontractors from performing such work and activities as are reasonably necessary or advisable in connection with the construction of any houses or other improvements upon the property, nor shall said provisions in any way prevent the Declarant from maintaining such sign or signs on the property as may be necessary for the sale, lease or other disposition thereof.

Section 7. Variances. Variances for minor deviations from this Declaration may be granted by Declarant or the Architectural Control Committee at any time to Declarant or any property owner within the property. Variances for such minor deviations, if any, are discretionary.
